

Home Heating 2006-07 Prebuy Options

Petersen Oil & Propane would like to help you save money by allowing you to select one of the following Home Heating Prebuy Options for the upcoming heating season. **Please check the appropriate box and complete the enrollment form** for the 2006-2007 heating season. This form must be returned to us by July 31, 2006 along with your payment for the determined amount. If you need assistance, please call our offices at (616) 754-3254 or (800) 354-3309.

#2 FUEL OIL

Lock in at \$2.69 per gallon

Lock in the cost of your season's supply of #2 Fuel Oil by purchasing it now. Your cost per gallon remains locked in at \$2.69 regardless of market prices. We will deliver your fuel throughout the summer, fall and winter until your Pre-Buy quantity is used. Minimum Pre-Buy is 600 gallons, with no maximum number of gallons you can pre-purchase. Pay with cash, check or credit card. This offer cannot be extended past July 31, 2006. Pricing for this option will be honored through April 1, 2007.

-----**PURCHASE AGREEMENT**-----

Name _____ Acct # _____ Phone# _____

Address _____

City / Zip _____

My signature below indicates that I am entering into an agreement with Petersen Oil & Propane according to the option of my choice, indicated above. I understand that I agree to purchase all of my home heating fuel/fuel oil from Petersen Oil & Propane for the 2006-2007 heating season. Any Pre-Buy monies placed on my account are not refundable but are usable for subsequent deliveries at market pricing after the agreement end date. I understand that both of these options have a set price per gallon regardless of current market price. Pricing for these options will be honored through April 1, 2007.
